

YOUR GUIDE TO BECOMING A **Freeman 360°** Member on DieBoard.com

Have you ordered from Freeman Manufacturing & Supply in the past using any method (phone, email, fax, etc.)?

YES

Find your customer number located on an invoice and follow the prompts. Your customer number is required to link your information to our system.

Once your account is created, you should automatically be a Freeman 360° member. If not, please click the "Request Upgrade" button under the "My Account" link and the "Upgrade" tab. We will promptly upgrade your account!

- ### Freeman 360° Features
- View List Pricing
 - View Contract Pricing (if applicable)
 - Direct Ordering
 - View Order Status
 - Access Web Discounts
 - Create "Favorites" List
 - Track Shipping
 - View Select Inventory
 - "Industry Pulse" Data

NO

Follow the prompts to create an online account. Enter your information and it will be loaded into our system to create your account following your first order.

Once your account is created, request a quote for the items you are interested in. Our customer service representatives will quickly return your quote during normal business hours.

Continue the process to place your first order. Upon completion, you are eligible for Freeman 360°! Accounts are periodically reviewed for upgrades, but you can request as upgrade sooner by clicking the "Request Upgrade" button under the "My Account" link and the "Upgrade" tab.

Once upgraded, you have access to these great features!
