August 7, 2024

Dear Valued Customer:

Please be advised that, due to necessary organization requirements following our acquisition of CCM, orders shipping from our Lititz, PA facility could be delayed up to 2 days. This is a temporary situation, and we expect lead times to improve considerably over the next week. In the meantime, please account for the possibility of this slight delay when placing orders that will originate from Lititz.

Freeman Manufacturing & Supply Co.
